Medical Marijuana Program
Cultivation Centers Eligible for Registration

The Director of the Department of Health announces that he has approved the following applications as eligible for a Medical Marijuana Cultivation Center Registration. Eligibility does not guarantee that an applicant will be issued a registration.

In accordance with 22 DCMR C § 6000.1, no registration application shall be approved for issuance until the Director has determined that the applicant has complied with the requirements of § 5400.1.

In accordance with 22 DCMR C § 5407.1, a registration for a cultivation center or dispensary shall not be issued by the Department until all approvals or assessments required under this title, including completing of all required criminal background checks, have been obtained from the Metropolitan Police Department (MPD) or its designee, the Department of Consumer and Regulatory Affairs (DCRA), and the Department of Health (DOH).
